WELCOME HOME

Autumn Trace is a privately owned company with a history of operation in rural Indiana, specializing in a hands on approach to catered independent and assisted living. With management close by, no issue is without a quick resolution and flexibility is always an option. We provide an environment whereby residents can live as independently or with as much assistance as they want in a modern setting, that is still much like home. We pride ourselves that our residents not just live well, but thrive without the worry of living alone and with the comfort that assistance is always available.

SOCIAL & LEISURE ACTIVITIES:

- Wireless internet
- Exercise space
- Scheduled transportation
- A variety of entertainment & social events
- Bible studies, church services & spiritual programs
- Educational seminars

SUPPORTIVE SERVICES:

Get help with everything you need:

- Morning & evening dressing/grooming
- Restroom assistance
- Medication reminders
- Ambulation assistance
- Shower assistance

LIVE WELL

Our senior communities are designed for fewer residents, allowing us to maintain more common areas for relaxing with fellow residents and loved ones. Highlights include:

- Theater Den
- Game Room
- Beauty Shop
- Screened Porches
- Chapel
- 24 hr Cafe
- Barber Shop
- Large Front Living Room

DINE WELL

Our Head Chef provides restaurant style dining for breakfast, lunch and dinner, seven days a week. Beyond providing multiple options for each meal, our chefs strive to be as flexible as needed by going off-menu for special request. Snacks and beverages are always available between meals as well. If you are looking to lose weight, gain weight or have a medical necessity, residents requesting advice for specialized diets will be accommodated at no cost.

MONTHLY RENT INCLUDES:

- All utilities (*other than home phone*)
- Wireless internet
- Weekly housekeeping
- Laundering of bed & bath linens
- 3 gourmet meals per day; 7 days per week
- Nursing oversight for health monitoring
- 3 wellness checks per day
- Health and fitness activities
- Life enhancement programming
- Scheduled transportation & outings
